

Wisconsin Constructor Magazine

Official Publication of the Associated General Contractors of Wisconsin, Inc.

.....
Wisconsin Constructor is a quarterly magazine created for construction industry professionals throughout the state. It is an essential communication tool filled with information on the Wisconsin construction industry, including sections on legal, labor, education and training, safety, and legislative issues.

The tightly-targeted readership—consisting of general contractors, specialty contractors, suppliers of materials and services, and purchasers of construction services—turns to the *Wisconsin Constructor* for valuable news and commentary vital to the industry.

***Wisconsin Constructor* aids in the implementation of AGC's mission statement:**

The Associated General Contractors of America, the voice of the construction industry, is an organization of qualified construction contractors and industry related companies dedicated to skill, integrity and responsibility. Operating in partnership with its chapters, the association provides a full range of services satisfying the needs and concerns of its members, thereby improving the quality of construction and protecting the public interest.
